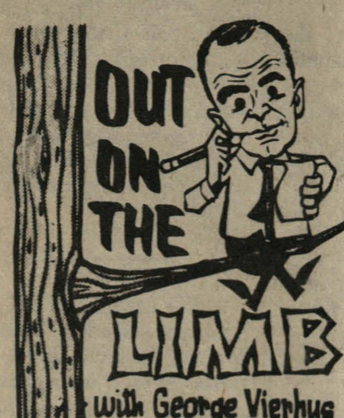
Vol 81 No. 11 Wednesday, March 14, 1973 10¢

378-9136 35 Dillon Avenue, Campbell, California



DURING THE SIGN HASSLE that has been waging in TOP level city circles, we have tried to remain innocently aloof from the issue at hand and have indicated from time to time that we were happy that we were not making any of the decisions.

Granted that is a smug attitude to take which cannot be defended, it first must be recognized that we approach signs in an altogether different viewpoint from most people.

Or, at least we hope so.

Nothing but chaos would result, if our philosophy was followed by the people in authority.

Y'see, from farther back than we care to tell you, we have been a prolific reader of roadside signs.

We recall those Burma Shave signs, as an example, when as a youngster in the back seat of our dad's car, we eagerly and proudly read out loud each message in a decibel-shattering shout and hopefully and enthusiastically kept the continuity going until the final sign in the series, "Burma Shave," was reached.

Then we also recall those barns that told everyone what type of liver pills to use.

The farmer got his barn painted. Lydia Pinkham got its advertising and we had a reading lesson.

Apparently from those early days, the twig was bent. Or something.

Anyway we have made innumerable trips alone across the continent and we always read road signs. It helped keep us awake.

And the sad thing about it all, when we were doing most of our cross-country traveling (mostly during World War II years), we never gave a thought to the city ordinances that allowed the signs in the first place, or the "proliferation" of the countryside that they caused.

Of course, that was before the days of "ecology."

And all its many ramifications.

-0-

BEFORE WE GET CRUCIFIED, we are not advocating sign-proliferation, whatever that means.

The word "proliferation" has been tossed around a great deal as the city officials have been struggling recently with the mundane problem of how to govern signs in town.

As usual, we hurried to the dictionary to see if all the powers-that-be were using "proliferation" properly.

It's a nice sounding word and all that...but...

Anyway, Webster suggested that, among other things, "proliferating" was "profusely productive."

That means, we suppose, especially with respect to the controversial question of freeway-oriented signs, that the definition could apply to the current situation in town.

In other words, maybe some signs might be okay along the freeway, but leave us not "proliferate."

-0-

IT IS AMAZING HOW many different facets can be involved in this sign bit.

But then again we may be prejudiced because of our outlook about the whole picture.

For example, our inability to find our way and follow directions to any given point is a source of much amusement among our friends.

What compounds the situation is that our little Dorothy has a tremendous sense of direction. She swings and sways via varied and devious routes to get to a destination right on the button.

But we haven't any idea how she gets there, for she seldom goes the same way twice in a row.

So when we are on our own we have problems.

Thus what we need personally, we think, are more explicit directional signs as to what off-ramp to take and things like that. But deliver us from those signs that merely say "Riverside Drive South"

AT COUNCIL LEVEL

It gets nitty-gritty -- for signs in city

There was a lot of sign action at the City Council meeting Monday:

Campbell's amended sign ordinance which allows freeway-oriented signs, if the City Council approves, will go into effect in 30 days.

The famed, but illegal "Peace on Earth" sign atop The Towers must come down in two weeks.

The PruneYard can have a 58-foot identification pole sign.

The city's fire station on Sunnyoaks is to get its first sign.

And the application of Gold Key for a sign facing the freeway was deferred for two weeks.

But in only two of the actions, was the Council vote unanimous: the deferrment for Gold Key and the approval of the fire station sign.

The rest of the time it was a different story.

ORDINANCE

The long-pending amended sign ordinance was given final approval by the expected 3-2 vote, following a previous alignment.

Mayor Bill Podgorsek and Councilman Norm Paul cast the dissenting votes with Vice-Mayor Dean Chamberlin, Councilmen Rusty Hammer and Ralph Doetsch favoring it.

PEACE SIGN

Following some discussion as to whether the "Peace on Earth" was actually a sign within the meaning of the ordinance (a point raised by Podgorsek) and an expression of opinions by councilmen, a motion by Paul to direct the sign to be removed in two weeks was passed 3-2. This time Chamberlin and Podgorsek voted no, with Doetsch, Hammer and Paul on the other side.

Chamberlin maintained that the sign was not an eyesore and it did express a universal sentiment. He added that the PruneYard spokesmen had also agreed to have it removed whenever the city directed it. He saw no reason, then, why it should come down now.

Paul argued, however, that the sign had been put up without authorization at Christmastime. The Council must be consistent despite the emotional appeal involved.

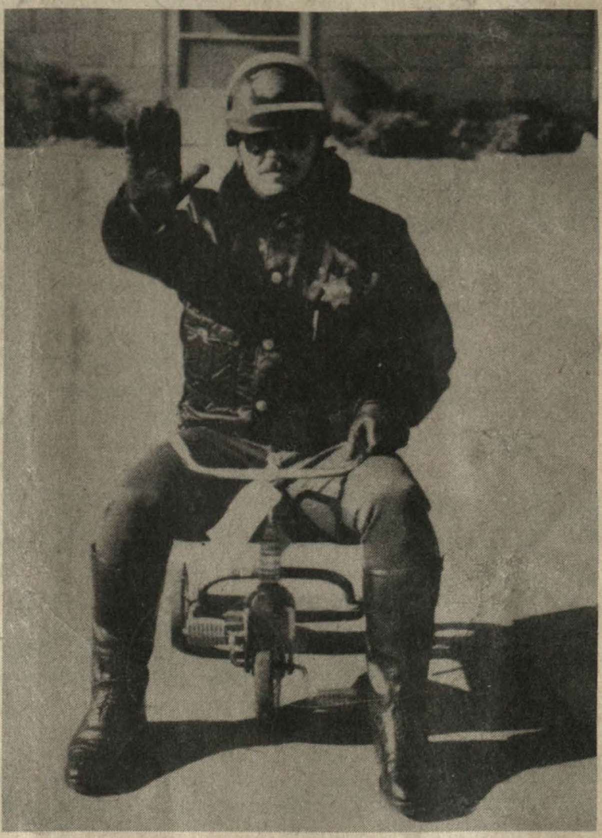
PRUNEYARD

Then by a 4-1 vote (Podgorsek dissenting) the Council approved the proposed 58-foot high pole sign for the PruneYard, based on the modifications recommended by the Planning Commission which included the removal of the reader board portion with route directions.

GOLD KEY

A high rise residential development proposed for a parcel of property between Gold Key and the freeway was the reason for the deferment on

(Continued on Page 2)



DEMONSTRATOR -- Police officer Bob Fulwider pedals away to call attention to the semi-annual police auction which will take place this Saturday, March 17, at the city's corporation yard at the end of Dillon Avenue, starting at 10 a.m.

In addition to the 25 bikes that will be put on the block, six city-owned police cars will be up for sale. The cars will have a minimum bid designated but the other items on the block will not. A skill saw, radios, a sander, camping and fishing equipment, picked up by the police and unclaimed by owners, will be offered to the highest bidders by the auctioneer, Captain John Butler.

CAMPBELL UNION (elementary)

School district enrollment to decrease here next year

Enrollment in the Campbell Union (elementary) School District next fall is expected to be 10,012, a reduction of 250 from this year, Fred Peterson, assistant superintendent, reported last Thursday at the regular board meeting of the district.

It was also announced at the meeting that two candidate forums, jointly sponsored by a number of the home and school clubs in the district, have been scheduled.

One of the forums will be held at Castlemont School on Tuesday, March 27, and the other has been scheduled for Blackford School on Tuesday, April 3.

There are nine candidates for the three positions that are open at the election on Tuesday, April 17. No incumbents have filed for reelection. The terms of Mrs. Eleanor Graham-Armstrong, Mrs. Judy Ruscigno and Ralph Steinberg are expiring.

Only three members of the board were present last Thursday (Steinberg and Mrs. Graham-Armstrong were absent) and only a brief period of time was spent discussing the lettuce boycott status. Two letters, one from the CETA and the other from Margaret Ota, indicating sympathy toward the Chicano problems in the district, were read into the record.

Board members showed concern over the proposed reduction in federal funding for educational programs. Resolutions were forwarded to congressional and state legislators asking that Congress appropriate funds to increase the federally-aided programs in the district.

It was also requested that studies be continued in an effort to find ways to increase

(Continued on Page 2)

PROBLEM INTERSECTION-- In an effort to emphasize the dangers that lurk near and at the Budd-Jeffery-Virginia intersections, boulders have been placed to remind motorists to reduce speed. Residents have long been concerned with the traffic hazards which exist at the location. They are scheduled to discuss the problem with city representatives next Tuesday, March 20, at Hazelwood School at 7:30 p.m.

BUDD-JEFFREY-VIRGINIA TRAFFIC

Concerned residents, city staff to discuss problem

Residents, concerned with the problems of safety at the intersection of Budd, Jeffery and Virginia avenues, have been urged to meet with staff members of the public works and police departments at a special meeting called for Tuesday, March 20, by Bill Wren, director of public works.

The meeting is set for 7:30 p.m. at Hazelwood School.

The long-existing traffic problem was emphasized when two girls were struck by an automobile at the intersection on February 1. The girls, Kathleen Mitchell, 15, and her 14-year-old girlfriend are still under care for injuries suffered in the mishap.

At the February 12 meeting of the City Council, Mrs. Donna Mitchell, 781 Jeffery Ave., presented a petition bearing the signatures of 174 concerned residents of the area.

The Council directed the police and public works department to study the situation with a view toward finding a solution, in cooperation with area residents.

In a novel attempt to curtail further problems at the intersection, the public works department has placed "boulders" on the curve for a "visual impact," deterrent.

CONCERNED NEIGHBORS-- Mrs. Donna Mitchell (right) of 781 Jeffery Ave. and Mrs. Grant Long, of 780 Jeffery, discuss the traffic problems that exist on the street. Residents will meet with city representatives next Tuesday to discuss the problem and possible solutions.

ESTIMATED TO COST $184,000

Park project to go to bidders

Development of the first phase of Rincon Park, estimated to exceed $174,000, with various alternates, could be under way this summer as a result of the City Council, on Monday night, authorizing the calling for bids for the park project.

The action of the Council followed a presentation by Frank Lewis, of the public works department, in which he described the improvements that would be included in the bids and alternates.

Lewis said inclement weather had delayed the grading of the entire park for which a contract had been let in December, the first step in the improvement program. Grading work has been resumed now, he added.

Lewis also said that the restroom facilities, for which $25,000 has been reserved from park bond funds, will not be part of the new contract, but will be built separately.

Funds for the development come from park bond funds, voted in 1969. The first phase will use up most of the available bond funds, with the exception of monies that have been "reserved" for specific items or from federal allocations that have been made.

It was pointed out that the first phase would be about one-half of the total development costs as outlined in the master plan.

But Lewis explained that some of the projects included in the bids, especially the four alternates, allow for a tie-in with future developments.

He added that this would also allow service clubs and other civic groups to undertake special projects geared to the overall development. He pointed out, for example, that the JayCees had indicated interest in the amphitheater and stage area which would be a part of a later phase, as would a proposed softball field. Originally the JayCees had planned to develop the tot playground.

One of the alternates would be for the irrigation system for the softball field, Lewis said.

He also said that two other alternate bids would be for irrigation systems in portions of the park not included in the first phase development program, with an estimate cost of $16,000. Another alternate would be for additional turfing estimated at $16,700.

The estimate cost for the basic first phase is $125,000 from bond funds and an additional $17,000 for improvement of Rincon Avenue from

(Continued on Page 2)

Council adjourns to Tuesday

Faced with a backlog of pressing city problems that need exploration and/or action, the City Council will meet in an adjourned session next Tuesday, March 20, at 7:30 p.m. in the council chambers.

The motion to hold the adjourned meeting was made at the close of Monday's regular meeting.

Heading the list of priority items on the agenda will be policy decisions affecting the plans for the library which are in the final stages. City Manager Bob Stephens explains that Bill Hedley, architect, needs guidelines from the Council on some basic points in order to keep within the budget.

Another item of pressing importance concerns the recent offer made by the supervisors with respect to the communication systems of the cities. The supervisors have indicated that the county will pick up the entire tab for dispatching services but no details as to how this will be done have yet been submitted. The Council will also discuss the future of the engineering building (former scout hall) from which the public works will move when the engineering wing at the city hall is completed about May 1. Wally Byron, building official, estimates that it will cost more than $48,709 to bring the building up to minimum code standard.

If the building is demolished, under the deed by which the city acquired the property, all funds must go for recreational purposes.

Next Tuesday also the Council will probably set a study session schedule for April and meeting dates in May because of the holiday and absence of councilmen on the regularly scheduled dates.

The Council is also expected to explore the possibilities of improving the enforcement procedures of the city zoning laws.

ONE OF NINE CANDIDATES

Mrs. Elizabeth Rodriguez seeks Campbell board spot

ELIZABETH RODRIGUEZ --board candidate

Mrs. Elizabeth R. Rodriguez, of 1138 S. Daniel Way, San Jose, a 13-year resident of the district, is one of the nine candidates seeking election to the board of trustees of the Campbell Union (elementary) School District. The election is Tuesday, April 17.

She and her husband, Frank, who is with Action Saw in San Jose, have four children who have attended the local schools. Three of their children, Frank, Phillip and Debra, are all graduates of Del Mar High and now are attending San Jose State. Elizabeth is a student at Monroe where the others also attended.

Mrs. Rodriguez, who was born in Texas, is a graduate of San Jose High School and has been active in the Monroe Home and School Club and Del Mar High PTA.

She has been active in community affairs and in school and church groups and is a member of the Human Development Foundation and is a director of Economic Social Opportunity.

She also has been active in Parents for Equal Justice for Education (Padres por igualdad en educacacion) and has worked with United People Arriba, especially in the children's workshops.

In her statement, Mrs. Rodriguez said in part:

"As a parent and an active participant in community affairs, I have seen the need for a continuing improvement of the total educational experience in Campbell Union School District, both for students and for teachers.

"I believe that there should be equal opportunities for all students, and that education should be a total intellectual, social and cultural experience.

"I believe in the realization of the individual - the student as an individual and part of a total educational program, and the teacher as an individual who also has the need to be supported and encouraged.

"Because there is a need for better conditions for all teachers and instructors in order to bring about these goals, I am a committed advocate of improving the conditions under which teachers work, and of increasing their salaries so that they are commensurate with the rising cost of living.

"As part of upgrading our educational system, I see a need to limit the number of students in the classroom in order to afford more opportunity for the teacher to provide individual experiences and motivation."

Editorial

School trustees

Trustees will be elected in almost all school districts in California on Tuesday, April 17.

We have long emphasized the importance of these elections to all citizens because of the impact that the schools have on us all, whether or not we are parents of school-age children.

The governing boards of the various school districts have tremendous responsibilities. Their actions can affect the every-day life of us all, for education is not the sole province of any single segment of any community.

Unfortunately, the citizenry generally have an apathetic attitude toward these trustee elections and only a small percentage of the registered voters even bother to go to the polls.

As a case in point, we note that in this county alone there have been a total of 222 candidates file for vacancies on 37 school boards.

At issue are 112 seats in 33 school districts, four community college districts and the County Board of Education.

In this particular area, there are three positions open on the Campbell Union High School board and there are six candidates. Two of the incumbents, Dorothy Y. Goble and Vernon R. Rutlen are seeking reelection. The other candidates are Ray A. Silva, Steve Tedesco, Raymond B. Dillon and Donald R. Thomas.

In the West Valley College district, where the candidates must reside in specific areas, but the entire district electorate votes on them, Bill Cilker and Mildred Wharton, incumbents, are running for the two vacancies in Area No. 1 (Los Gatos). Other candidates are Luis Hernandez and Felix Gustavo Ortiz. In Area No. 2 (Santa Clara), Foster S. Lopes, incumbent, is the lone candidate.

In Cambrian elementary there are three vacancies with two incumbents, Jack M. Farnham and John H. Shehtanian, Jr., and Bennet D. Black, Donald E. Hopen, James Duff and Carol Cook, the other candidates.

In Moreland there are also three vacancies with John A. Hibbert the only incumbent. Other candidates are Damon G. Nalty, Rodney E. Pease, James E. Maxson, Paul E. Haddon and David L. Towle.

Then there is the election in the Campbell Union (elementary) School District-------

For one of the very few times in this district's history and, in contrast to the situations in almost every other school district in the county, there are no incumbents running for the three vacancies that exist on the board.

That means then that on July 1 when the new board members take office, the trustees elected on April 17 will constitute the majority on the board.

We consider the election in the Campbell Union (elementary) School District on April 17 one of the most important ones that has ever taken place in the district.

Not only is it important from the standpoint that there will be three new faces on the board come July but also because of the problems that have existed on the governing board during the past few years.

There are nine candidates for the three vacancies. They are, Gordon Abbott, George P. Baker, Virginia Vaughn, Carl E. Samuelson, Robert G. Fricke, J. W. Pattee, Elizabeth Robledo Rodriquez, Marie Flaherty, and Margaret M. Ota.

We consider it imperative that the concerned electorate study the qualifications of the candidates and then give their mandate at the polls on Tuesday, April 17, in an emphatic manner. Hopefully, the turnout of voters will be high enough to indicate that the mandate means something.

Concern over the problems that have troubled the school district administration has not been limited to parents or teachers.

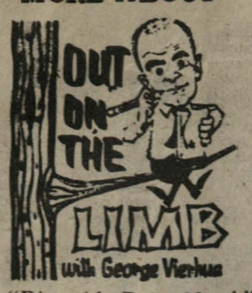
Because of this concern over the welfare of the district, a caucus committee, composed of 12 interested citizens, representing a cross-section of the community, came into existence. It was organized under the leadership of Homer Hyde, a native of Campbell, and a former mayor and planning commissioner, whose ability has been recognized on a statewide basis also. He is now serving as chairman of the highly important Bay Area Regional Water Control Board.

The caucus committee, after reviewing the qualifications of the candidates and potential candidates, has recommended the election of Gordon Abbott and George P. Baker as trustees for the Campbell Union (elementary) School District on Tuesday, April 17.

Committee spokesmen have stated that it was recognized that there were three spots to fill and also that other trustee candidates in the race undoubtedly had qualifications that would well equip them for service as trustees. The committee chose to endorse only two candidates.

We commend the members of this citizens caucus committee for their dedicated and sincere efforts and for their courage to stand up and be counted at this crucial time when it so highly important to put the school district in the proper balance with the community.

MORE ABOUT



or "Riverside Drive North"...

When we are traveling on the freeway the points of the compass are just not our bag.

And mere identification of a spot is not enough. We want to know which street to take to get there.

Dorothy, for example, never has forgotten our efforts a long time ago to get to O'Connor Hospital off Highway 17 before the proper off-ramp was marked.

Shucks, we went back and forth on the freeway past O'Connor three times before we finally hit the right street.

Obviously we know how to get to the PruneYard and Towers from the freeway.

But we can't help thinking about those poor souls who are strangers to the area and are afflicted with the same directional-ailment that we have.

They see The Towers, of course.

But how to get to it?

-0-

THUS, FROM A PURELY selfish point of view, we were in sympathy with the request of the PruneYard that their proposed 58-foot pole sign include directions as to the proper off-ramp to take, etc.

But the amended ordinance specifies that signs can be for "identification" only.

The assumption is, apparently, that our problem that we have described does not apply to the majority, fortunately.

Just another minority group to worry about.

-0-

ADDING GUSTO (THERE are some who would call it something else) to the local sign situation was the famed, but illegal, "Peace on Earth," lighted job that went up before Christmas atop The Towers.

There was no way, under the city regulations, that such a sign could have been allowed in the first place.

So it wasn't allowed.

But it was there.

Getting it down was something else again.

But there is no way to win in a case like that.

For a very brief period it was flashing on and off.

But that was soon stopped.

Even those who were most sympathetic to the message the sign conveyed, agreed that the flashing bit was not proper.

And signs are not supposed to rotate either.

-0-

SO YOU CAN IMAGINE the collective shock that went through the planning commissioners recently when they learned that a pole sign at Carrows restaurant that had been approved as a stationary job was majestically turning around and around.

But not all the time.

When one party went to investigate it, it wasn't moving.

But shortly afterwards it was making its rounds again.

We understand the matter has now been stabilized.

Curious as to how signs flash or rotate at will, we were informed by Bruce Powell, of the city's planning staff, that it is relatively inexpensive to install a gadget to make a sign flash on and off.

But to get it to rotate is a much more elaborate and expensive project.

Incidentally, the city ordinance specifically prohibits flashing or rotating signs and both the planning commissioners and councilmen seem to be in complete agreement on that prohibition.

The only exceptions are for those signs that give time, temperature or NEWS.

That means, we suppose, that The Press could both flash and rotate tidbits of information via an illuminated sign without any community controversy developing.

But don't hold your breath.

-0-

BEING A WORD MERchant to a certain degree we were suitably impressed by the news release from Santa Clara University reporting that construction would soon begin on the $2 million Louis versity's campus.

Particularly we liked the sentence: ..."It will feature a flexible main auditorium, which can be converted smoothly from proscenium form to thrust stage...."

Of course, we hadn't the slightest idea what it meant.

But it sounded impressive enough.

The dictionary revealed that "proscenium" could be a decorative arch that separates the stage from the auditorium.

Then further on in the same news release ..."There will be vomitory approaches to the thrust stage from the green room...."

Vomitory?

Now, hold it, you wise guys.

There IS another definition of the word than the one you are thinking. We know. We checked it out.

"Vomitory--an opening in a stadium or theater permitting large numbers of people to enter or leave---"

But, of course, there is that other, and more common, definition also listed.

Especially appropriate, we would say from the "green room."

For poor shows only, of course.

federal funding for programs under state and local control.

In other actions, Trustees Robert King and Richard MacQuiddy were appointed to a committee to review district policies pertaining to board meetings and Trustee Ruscigno was named to the committee to select the auditor for the 1973-74 fiscal year. The board also adopted the specifications for the annual external audit.

Peterson, in submitting a preliminary enrollment projection report for the next school year (1973-74) indicated that the reduced enrollment would generate an Average Daily Attendance of 9,802 compared to an A.D.A. this year of 10,177.

He added also that it was expected that there would be seven less teachers, dropping from 401.5 to 394.5 but that the loss in teachers would be absorbed by normal attrition and no dismissals were being anticipated.

Preliminary projections, Peterson said, show a slight increase in class size on the K-6 level from 26.35 to 26.45. In grades 7-8, another slight increase from 21.9 to 22.2. In essence, he added, the class sizes will be about the same next year as this.

LIFE-LONG PALS---Pat Armstrong, 8, is the 1973 Easter Seal Child for Santa Clara County. Here, Pat shakes hands with his pet German Shepherd, Sultan, who also thinks Pat is someone special judging from the way he looks at the youngster.

Mrs. Korbanski, long-time language teacher, retires

Mrs. Mildred Korbanski, French and English teacher at Westmont and Campbell High Schools for the past 15 years, retired at the end of the semester.

Mrs. Korbanski, who started teaching in Pennsylvania 40 years ago, came to the district in 1958. After teaching languages at Campbell for five years, she went to Westmont where in addition to teaching French and English she was in charge of the language lab and the French Club.

She shared a wide background of experiences with her students. She studied at the University of Pennsylvania, Pennsylvania State College, Delaware University, and took post-graduate work at the University of California, Berkeley, and Stanford University. Also, says Mrs. Korbanski, "I've studied in every French language school there is," including the French Institute at Middlebury, Vermont, the Sorbonne in Paris and Rennes in Brittany.

Mildred Korbanski

Conversant not only in French and English but German and Spanish, Mrs. Korbanski has enjoyed 20 visits in Europe. "Through speaking their languages I've made so many good and interesting friends there."

"But most of all," says Mrs. Korbanski, "I've enjoyed the creativity of teaching and especially my students."

PUT AND TAKE

Last Saturday, person or persons unknown broke into the Bumbleberry restaurant in the PruneYard. They located and dismantled the safe, loaded it onto a dolly and stole out of the side door with it.

Value of stolen property was listed as "0" in Campbell police records. The safe was found sitting in the parking lot outside the side door.

Letters to the Editor

STOP HARASSING

Dear George:

In this day of almost overpowering educational problems and trials isn't it about time that Mr. Martin and other "spokesmen" stop harassing the Campbell School Board over the phony lettuce issue?

Surely the Board has more serious and important matters to consider than being badgered into taking a stand or not taking a stand on this spurious issue over whether lettuce should be bought by the District for the students.

As is usual with such "issues" the pressure groups are poorly informed, something less than factual, and are resorting to highly developed dramatics and histrionics in order to make an emotional point.

Come on Dr. King and Board Members! Come on Mr. Martin and "spokesmen." Five or six meetings during which this matter keeps being forced to the Board for consideration---when it could be considering important and genuine problems ... are enough! and, too much!

Please let's drop this phony issue and get on to the important business of taking care of the District educational affairs.

Campbell

Furniture bid gets Council ok

Furniture, carpets, draperies and drafting equipment will cost $20,721.89 for the engineering wing at the City Hall, the Council learned Monday night.

On Monday night the Council awarded Campbell Office Machines the contract for furnishings on a low bid of $14,381.28 and an additional $928.03 for additional furniture for the city hall.

Bruning Division was awarded the bid for the drafting equipment for $2,933.49.

Carpets cost $1,290.10 and draperies $2,128.04, for a total of $20,721.89. The city has budgeted $22,000 for the project.

The Council on Monday also awarded AAD Glass the contract for installing glass security doors in the city hall on a low bid of $1,575.

In other actions on Monday, the Council granted Sebastian's in The Towers a live entertainment permit and accepted the $250,000 traffic-signalization project at Hacienda and Winchester.

The Council also endorsed renewed funding for the Neighborhood Youth Corps and the designation of the Bay Area Sewage Services Agency as the planning agency in the Bay Area.

The Council also went on record opposing the closing of Agnews State Hospital.

Approved also was a new Council policy that would not allow conversion of a residence into an office while the building was occupied in violation of the zoning code.

Campbell High was granted permission to hold a carnival on the school grounds April 6-7-8.

Irish dinner dance held

The Irish Social Club of Santa Clara County is holding their annual St. Patrick's Night Dinner and Dance on Saturday, March 17 at Zorba's restaurant, 1350 S. Bascom Avenue, San Jose.

Johnny Vaughn and his band will be performing as well as Opera Singer John Reynolds and Irish step dancing students of the Walsh School of Dancing.

Cocktails will be served at 6:30 p.m. Dinner will be served at 7:30 p.m. For reservations and information call: Aurelia Renick, 374-7007.

TOOLS TAKEN

Chuck Needels' Chevron Service Station, 2347 Winchester Blvd., was broken into last Friday and tools worth over $3,600 taken.

Planners to meet on Monday

Plans for two warehouse-office buildings and two other offices will be before the Planning Commission for approval next Monday, March 19.

Thomas MacIvor is seeking approval of two offices at 1930 S. Bascom. Continued from previous meetings are the plans for a warehouse/office at 503 Salmar submitted by L. W. Bitney and for I. D. Wiens for an office/warehouse at 529 Forman Drive.

Also continued from previous meetings is the application of Gold Seal Realty for the conversion of a residence at 492 Nottingham into an office.

Lowell Grattan is requesting a one-year extension on the development schedule at Llewellyn and West Hamilton.

Two proposed annexation requests will also be before the Commission.

CALIFORNIA NEWSPAPER PUBLISHERS ASSN INC

Published every Wednesday at Campbell, Santa Clara County, California. Decree Number 84948. Dated June 27, 1952. Entered as Second Class Matter September 30, 1904 at Campbell, California, under Act of Congress March 3, 1879.

49'ers appear at Westmont

Westmont faculty take on the 49'ers Thursday night, March 15, in the fund-raising basketball game set for 8 p.m. in the high school gym.

Benefits from the game go to Westmont's student body activities.

Admission charge is $1 for elementary, junior high and Westmont students. For adults and students from other high schools, $2.

Prior to the game there will be a spaghetti dinner served in the girl's gym. Proceeds of the $1.75 adults, 75 cents for children under 10, dinner, go towards gymnastic and wrestling mats.

Auditions set for comedy

A set of female twins and "show girl-type" dancers over five feet eight inches in height are part of the cast being sought for the Phoenix Production, "A Funny Thing Happened on the Way to the Forum," premiering June 16 for a seven performance run.

According to C. Michael Traw, director, the cast calls for eight women and 11 men of all ages. In addition the Phoenix production of "1776," slated for July 20, calls for 25 men and two women between the ages of 16 and 70, Traw said.

Auditions for these two shows, and the September 28 scheduled "Bye, Bye Birdie," will be held on Saturday, March 24 in the Los Gatos High School auditorium from 1 to 5 p.m. and from 7 to 9 p.m.

Performers should bring a selection of their choice, Traw said, and an accompanist will be provided.

For further information, interested individuals may call 247-1645.

CABLES COST

Cables which are used to pull San Francisco's cable cars last from five to 12 months, according to their run, and cost $7,000.

Cougars Corner

by Mike Lindsey

LIGHTED TENNIS COURTS

Camden's tennis buffs and tennis playing residents in the area should be happy to learn that Camden is planning on having lighted tennis courts.

Funds for the lighting will be supplied by the San Jose Recreation Department, and construction should begin sometime this summer. Camden will be the only school in this district that will be getting the new lights. The main reason Camden High School was selected is because Camden's courts are situated near Camden Avenue, away from private homes that might not appreciate being disturbed by the light and sounds of tennis players.

The lights will run seven days a week and will probably be regulated by meters; meaning that players will have to pay a small fee to get their court lit.

BANK OF AMERICA PLAQUE WINNERS

Being able to communicate verbally and a good G.P.A. (grade point average), are the main requirements of the Bank of America Achievement Awards. These awards could earn some students up to $1000 in scholarship funds.

The seniors are chosen by their teachers in 12 different fields, and from those the senior class counselors, Mr. Willson and Mrs. Pate select the four students who go on to compete with other students in the area for cash prizes.

The four students who won plaques are: Diane Lamy, representing the general field of fine arts and John Perry representing the liberal arts.

Jim Finnel in the fields of science and math and France Bernard in vocational arts.

These four plaque winners will go on to compete against other students in the area. Each student will be questioned on his field by a panel of judges, and hopefully will be selected to go to the finals to try for the scholarships.

ENCORE TO VARIETY SHOW

Popular demand and shouts of "Encore! Encore!" forced Camden's drama department to present a second performance of its Variety Show on February 21.

The show opened with the whole cast singing "Comedy Tonight." They then went on to show their individual talents with several funny skits, and take-offs from commercials done with delightfully funny twists.

Robin Stevens demonstrated her vocal talents by singing a song from the musical "Cabaret."

An amusing skit about Charlie Brown and his teammates was also presented. Between skits our own Nick Fuller came out dressed as the Pillsbury Doughboy to be mauled, kissed and punched.

"PROJECT PRIDE"---Parents and children of Forest Hill School will combine their efforts on Saturday, March 31, in a project that has the improvement of the appearance as its goal. Getting in training for the project above, left to right, Tony Williams, Jerry Kent, Ken Pappa, Mike Kasolas and Kim Giedt.

Funds for the improvement program have been allocated by the PTA and include painting the stage, fabricating a library rug, benches and planter boxes, and planting of trees and shrubs and Carol Ann Crawford is the project chairman. Many of the projects are expected to be accomplished on Pride Day, March 31. The student council is directing the activities of the students in the project.

Parent chairmen include: Gerald Williams, landscaping; Duane Tandeske, tables and bench painting; Wayne Krantz and Brian Welsh, benches and planters; Sharon Tandeske, library carpet; John Duncan and John Holt, tree planting; Yvonne Lichti, stage painting.

CAMP FIRE GIRLS

by Ellie Rumbaugh

Last Friday over 300 Blue Birds, Camp Fire Girls, Discovery Club and Horizon Club girls from Camp Fire's District Nine went ice skating at the Ice Arena in Eastridge.

The early evening party was arranged by the district program chairmen, Mrs. Cecelia Bass and Mrs. Kay Cook.

It was a new experience for many of the girls, especially the younger ones, but before the evening was over they were getting the hang of it. Following the skating many of the individual groups went for treats and/or a sight-seeing tour of Eastridge.

Everyone had a great time, sore ankles and all.

Westmont Open Mouth

PAUL & MS. MAUREEN
(Macierz) (Hillyard)

EDITORIAL

"As an administrator, I must consider the total student body and the community sending students here," stated Mr. George Buonocore, principal, during our interview last Thursday morning, concerning his policies on censorship.

Censorship came up as an important campus topic after certain words and phrases were deleted from a student production, "A Thousand Clowns."

These phrases were abruptly taken out on the day before the performances, causing a great many hassles for students, faculty and administration alike.

Rumors flew and nobody knew the real story. So, we made an appointment with Mr. Buonocore, to find out.

Mr. Buonocore said that the deleted words were of prior concern and that he had informed Ms. Hamm, the director, of this.

The words that were censored were "hell" and "damn it," both these phrases have been allowed in past productions at Westmont and their expurgation was the sole action of Mr. Buonocore.

It is our opinion that Mr. Buonocore does not know the important difference between profanity and obscenity. The drama department is not guilty of allowing anything obscene on stage.

We feel that Mr. Buonocore over-reacted in his actions regarding "A Thousand Clowns." But this may be because of his idea of what the community will permit and putting the emphasis on this community instead of the students.

We feel that our community is enough beyond the puritan ethic to accept certain words that are presented as everyday words, important to the script and play as an art form.

"Newspaper and drama teachers are always on the line," says Mr. Buonocore.

We agree.

And we firmly believe that this line should be erased.

Castlemont Goals Committee gets projects under way

Last night work began for members of the newly-formed Castlemont School Goals and Objectives Steering Committee.

Citizens, who responded to a recent questionnaire and who volunteered to serve on the school's steering committee met together for the first time on Thursday, March 8.

The committee is charged with the responsibility for assimilating community feelings and concerns in all areas of public school education, implementing, planning, structure and organization of meetings involving a broad cross-section of the community for the purpose of formulating educational goals and objectives and functioning as an advisory and steering committee to the school on all aspects of school and community relations, programs and activities.

Chairman of the group is Dick Taylor. Co-chairman is Edna Gonzales and secretary is Lora Riehl.

Other committee members include: Donna Duncan, Cliff Duncan, Gerry Laufman, Judy Paquin, Elaine Motekaitis, James Turner, Mary Cook, Eleanor Peeler, Margaret Gorman, Dee Clarke, Lee Alkire, Betty Milioto, Jesse Brooks, Gerry Campbell, teacher representative; Willien Greco, classified representative and Dave Mac Leod, principal.

TO HELP YOU FEEL ACQUAINTED
- We believe that Jesus Christ is the Son of God.
- That righteousness is simply "rightness".
- That there is no one that is righteous.
- That through faith in Christ's death for us, God forgives our past sins.
- That through this forgiveness we can have fellowship with God, person to Person.

Quality: always first at Safeway

It all started back in the Twenties. Safeway was the place to get quality foods at low prices. Quality first, then low prices, was the Safeway policy. And it's just as true today! You get excellence in meats, in fresh fruits and vegetables, in everything you buy. And you enjoy them at low level discount prices, every day of the week. Now isn't this what you want in a food store?

FIRST ANNUAL FAIRE--- Decoupage, terrariums, wall plaques and flower arrangements are just a few of the handicrafts which will be on display at the First Canterbury Faire, May 18–20, at St. Thomas of Canterbury parish center. Already making preparations for the spring sale are, from left, Judy Tomes, Linda De Carlo, Esther Garcia and Joyce Shannon. Helpers are still needed and may call Mrs. Garcia, 378-6380, or the church office, 378-1595.

Flea Market set for Latimer School Saturday

With one eye on the skies, members of Latimer School's Home and School Club get set for their fund-raising Flea Market this Saturday, March 17, from 10 a.m. to 4 p.m.

Space is still available for outside groups and individuals who wish to display their wares during the sale, according to Shirley Mapes, chairman.

Latimer students will also be busy Saturday as they conduct a "Walk-Around." The youngsters are lining up sponsors to help raise money for extra instructional materials for the school. The school's field will be used for the student project, where Sally Dubbin, Latimer teacher and project chairman, will help check-off the miles.

For information about renting space at the Flea Market, she can be contacted at 379-4257.

The school is located at 4250 Latimer Ave.

Rainbow hosts parent meet

Campbell parents of preschool children and other interested individuals are invited to attend a program of parent education, sponsored by Rainbow Nursery School. First in a series of monthly meetings will be held tonight, March 14, at 7:30 p.m. at the school, located at 1190 W. Latimer Ave.

Parents are encouraged to share their experiences and problems involving their children, as well as receiving professional advice from the teaching staff of the school, according to spokesmen.

BAKE SALE

Campbell Civic Actors Seminar Theater will hold a bake sale on Saturday, March 17, from 9:30 a.m. to 2 p.m. at Kirkwood Hardware, corner of Campbell Avenue and San Tomas Aquino Road.

Proceeds from the sale go to help finance the theater's forthcoming production of "Heidi."

RECIPROCITY MEET

Chapters QM and RK will host the meeting of the Reciprocity Bureau of Santa Clara District at 7:30 p.m., March 21, at the P.E.O. Home at Alum Rock and Kirk avenues. Mrs. William Puterbaugh, 916 Old Orchard Road, Campbell, urges all unaffiliated members to attend.

The entertainment will be a musical titled "The Sad but Melodic Saga of Suzanne Elizabeth Lee."

Child care will not be provided for this meeting.

Reservation deadline is Thursday, March 15. For reservations please call Mrs. Lee Tyler, 867-0965, or Mrs. L. D. Seger, 241-4809.

VIOLET SOCIETY

On Tuesday, March 20 at 1 p.m. in the Community Room of the Northern California Savings, 10250 Saratoga-Sunnyvale Road, Cupertino, the African Violet Society of South Bay will pre sent a program on "Judging Your Plants for Show."

Judging will be by Millie Kirschbaum, Celine Chase and Mary Tompkins.

The public is invited and guests are welcome.

GETTING READY — Busily involved with the upcoming Camden Booster's Carnival are, from left, Dick Burdick, Camden PTA president; Ed Stangohr, carnival chairman; Chuck Buron, Booster's Club president, and Frenchy Ouellette, Booster's Club treasurer.

Three day carnival set by Camden Boosters

A three-day carnival of rides, booths and concession stands will be held on Friday, Saturday and Sunday, March 23, 24 and 25, at the Camden High School parking lot.

Butler Amusements is furnishing the rides for the fund-raising event, sponsored by the Camden Booster's Club.

Opening times are 3:15 p.m., Friday; 10 a.m., Saturday, and 12 noon, Sunday.

Advance tickets are now available through the Camden school club members who will be manning concession stands. They are the Camden Band, C.S.F. Scholarship Club, Freshman Class, G.A.A., Letterman Club, Photo Club, Camden PTA, Ski Club and Spirit Commission.

Pre-sale ticket price is five for $1. Ticket price at the gate is 35 cents.

PHARMACY PHACTS

By
Allan
Blaine

Allergic to cold? Some people are -- it makes them break out in hives. A new drug can control the reaction.

* * *

"Pep" pills are medicine containing amphetamines. They are sometimes prescribed as an appetite depressant.

* * *

Tartar forms on dentures as well as on natural teeth. Careful brushing will help remove the soft deposits before they calcify or harden.

* * *

The seeds of some fruits are said to contain toxic substances. If eaten in large amounts, they can cause illness.

* * *

A combination vaccine for measles, mumps and rubella (German measles) has been widely tested and proven successful.

* * *

When your doctor prescribes the best, we do the rest, at the pharmacy with the "bedside manner."

A KING-SIZED BREAKFAST---Trying to eat their giant "breakfast" so they can attend the St. Lucy's Mothers Guild luncheon are, from left, Mrs. Jack McKinnon, De De Durler, and Mrs. Edward Durler; (actually the fare is a papier mache offering). Monday, March 19, at 12 noon the Mothers Guild will present a "Ladies Luncheon League" three-course dinner at St. Lucy's Kennelly Hall. Donation is $2 and deadline for tickets is Thursday, March 15. For reservations call Mrs. Durler at 265-6291 or Mrs. McKinnon at 243-3361.

Hadassah art program set

"The Art of Collecting Art," is the topic of a program, sponsored by San Jose Chapter of Hadassah, on Monday, March 19, at 11:45 in the Jewish Community Center in San Jose.

San Francisco art gallery owner Ruth Bronstein is the guest speaker. Mrs. Bronstein is also a member of Hadassah's regional board.

The center is located at 3002 Leigh Avenue.

For further information, contact Shirley Bernstein at 379-5764.

COLLEGE THEFT

Over $1,000 in office equipment was reported stolen by West Valley College officials recently.

Missing from the 44 E. Latimer offices are two electric typewriters and an electric calculator.

GRAND. OPENING --- Guests gathered for gala grand opening festivities of ADI South at 2511 S. Winchester Blvd. recently. The ADI Gallery provides art service for interior designers and architects as well as offering framing service to the public.

THE FIRST OF MANY--- Students at Castlemont School planted the first tree (a Moraine Locust) in the parking strip in front of the Campbell school. A total of 100 trees will eventually be planted at the 3040 E. Payne Ave. School in the project which involves ciyt employees, parents and children. Pictured above are, from left, Michelle Louden, Lisa Minor, Sue Meade, Paul Motekaitis, Tino Alcaraz and Michelle Wilson.

ARBOR DAY'S SPECIAL MEANING --- Representatives from each class of Castlemont School helped in the planting of the first tree at the Campbell school grounds. Robert C. Long, San Jose City arborist, Dave MacLeod, principal, and Campbell school district grounds crew helped with the special observance. Pictured above are: Eric Gellerman, Kim Rymer, Janet Chung, Nick Gonzalez, Keith Looney, Suzanne Adamo, Paul Motekaitis, Tino Alcaraz, Michelle Wilson, Dory Gonzalez, Shannon Shigemoto, Sue Meade, Michelle Louden, Valerie Williams and Lisa Minor.

EXCHANGING GREETINGS --- Jeanette Alexander, left, and her mother, Mrs. Myron Alexander, are greeted by Congressman Jerome Waldie at a recent reception for Waldie at the San Jose Hyatt House. Waldie, campaigning for governor, will be represented in the area by Myron Alexander, local realtor.

WATERY GETAWAY

With record rainfall in Campbell this past winter at least one thief found a solution.

Among other items stolen from a Campbell High School teacher's auto recently...one two-man life raft.

OUR TOWN

by JoAnn Zoller

Saturday evening was party night for members of the CAMPBELL ROTARY CLUB who celebrated the 25th anniversary of the club's formation with dinner and dancing at the London Oyster.

Among members attending the function were City Councilman NORMAN PAUL, the club's newest member, and his wife, CHARMAINE. Special guest was DOC ARENDS, a former member of the group and his wife, BETTY. MERV WILLOUGHBY made a special hit with the ladies when it was found he was the one who had arranged for the lovely silver bud vase party favors.

Also in attendance were HOMER and KATHRYN HYDE. Homer said he enjoyed the evening though he, himself, could not dance due to a back injury. Greatly missed by the group were GEORGE and BESS JEFFERS, who unfortunately were unable to attend the function. George ("Dobie" to his Rotarian friends) is the only charter member still with the group....

TRAVELS

Sgt. and Mrs. FRANK FURTAW of Via Montalvo were in Newport Beach last week for a juvenile officer's conference where Sgt. Furtaw participated in a training seminar. While he was busy working, wife Lou and some of the other officers wives were lunching at a local hotel restaurant where they met JOHN WAYNE. Lou said when "Duke" found out who they were and what their husbands were doing he immediately came over to their table to meet the ladies, chat and give some autographs to take home to the kids....Ahh..some people have all the luck!

Members of the CAMPBELL KIWANIS CLUB were on the move last weekend with a mid-winter conference in Bakersfield. Next on their agenda - a Key Club convention in Los Angeles...

PLANTING TIME

Arbor Day, March 7, was celebrated by members of the CAMPBELL GARDEN CLUB by planting a flax leaf paper bark Melaleuca tree, similar to a bottle brush, in the yard of the Congregational Church of Campbell. The club members, who have held their meetings in the church buildings for a number of years, have contributed several trees to the church grounds, including a redwood and a lovely flowering cherry....

MORE at the church....

The Women's Fellowship of the Congregational Church of Campbell are in for a special treat Thursday, March 22 at their noon luncheon when they will be entertained by Campbell High School's newest musical group "FANTASMA." ....

CLIPPED WINGS

Mrs. JAMES ELLIOTT of Monte Sereno, newly elected president of the peninsula chapter of TWA Clipped Wings International, invites interested former hostesses of TransWorld Airlines to join the chapter at it's spring luncheon to be held at 11:30 a.m., Wednesday, March 21, at the home of Mrs. Ernest Mrencso, 20317 Williamsburg Lane, Saratoga.

Mrs. TED SIMMONS, president of the area chapter of the Human Growth foundation is the charity to which the 35 chapters of the TWA Clipped Wings International has contributed some $47,000 in the past three years. The foundation is concerned with short statured children who cannot grow to a normal height due to a growth hormone deficiency. The research of the pituitary gland that this foundation has done has also been of service to cancer and burn victims and other related tissue diseases.

Former hostesses are asked to call Mrs. James Elliot, 354-8778, Mrs. Ernest Mrencso, 867-2171, or Mrs. John Shields, 739-1636 for further information.

Cambrian artists host Claudette

The Cambrian Artists' League will meet Tuesday, March 20, at 7:30 p.m., at Normandin Chrysler Bldg., 900 W. Capitol Expressway, San Jose.

The demonstrator for the month of March will be Claudette Macy, Bay Area portrait painter. She will give a painting demonstration on children. She has exhibited in most major juried shows and group exhibits including De Young Museum.

TEACHERS PROTEST

Moreland District Teachers Association has expressed 'no confidence' in the Board of Trustees for its failure to raise salaries this year.

According to association, Moreland teachers are currently being paid on a salary schedule more than a year old. The cost of living has gone up more than four percent during that time.

In the comparison for the current year, Moreland salaries rank 26th among 28 Santa Clara County districts, according to the teachers.

Gayle and David exchange vows

MRS DAVID. WALTER BYERS

In an afternoon ceremony at the First United Methodist Church of Campbell, Gayle Sue Gregory became the bride of David Walter Byers in a double ring ceremony performed by Rev. William Gould.

The bride, daughter of Mr. and Mrs. George H. Gregory of Campbell, was given in marriage by her father. She wore an empire bodice gown of off-white satin with an A-line skirt and built-in train. Long tapered sleeves of alencon lace completed the gown. Seed pearls and an applique of re-embroidered alencon lace accented the neckline and bodice, as well as the elbow length veil of silk illusion which was secured with a camelot headpiece. She carried a bouquet of roses, stephanotis, carnations and baby's breath.

Miss Karen McIver of New York attended her as maid of honor and wore a V-neck empire gown of yellow dotted voile, as did bridesmaids Geri Gregory, sister of the bride, and Mrs. Richard Larson of Los Gatos, sister of the groom. The maid of honor carried a bouquet of roses, daisies, carnations and baby's breath while the bridesmaids carried bouquets of daisies and carnations.

For her daughter's wedding, Mrs. Gregory chose a long apricot crystal pleated chiffon dress which was lace trimmed at the neckline, sleeves and hem. Her corsage of roses and stephanotis matched that of the bride.

Mrs. Edwin Schuler, mother of the groom, wore a soft pink dress with chiffon bodice and full length skirt of pastel panels. Her corsage was of pink roses and stephanotis.

Gordon DeMoe served as best man. Guests were seated by ushers James B. Smith and Richard Larson.

A reception for 175 guests at La Rinconada Country Club in Los Gatos followed the ceremony.

The bride, a 1969 alumni of San Jose State College, is a kindergarten teacher at Holly Oak School in the Evergreen school district in San Jose.

David attended San Jose City College and San Jose State and is now employed by the City of San Jose.

The newlyweds, who are honeymooning in southern California, plan to reside in San Jose.

Pre-schoolers model fashions

The Campbell Parents' Nursery School will present their annual fashion show and luncheon Saturday, March 24, at 11 a.m. at Rickey's Hyatt House in Palo Alto. Theme for this year's show is "Daisy Parade" and features fashions from the Little Daisy of the PruneYard and Kiddie World Fashions, San Jose.

Modeling for the show will be adult members of the organization and three- and four-year-old students, as well as an alumni child from each year of the school's 15-year history.

SHOW MODELS

Adult models are Mrs. Norman Avilla, Mrs. William Bailey, Mrs. Thomas Breen, Mrs. Ronald Canty, Mrs. Henry Crook, Mrs. Agustin deLaGuardia, Mrs. Gary Evans, Mrs. Laurence LaVier, Mrs. Charles Martin, Mrs. Roger Murphy, Mrs. Norman Nelson, Mrs. Bert Wall, Mrs. James Wrieden, Mrs. Margie Kelley and Mrs. Mary Ann Knott.

Children modeling in the show include Julie Bowron, Kristin Burke, Brad Eells, Diane Gottwals, Marnie Haggard, Greg Hayashi, Julie Hunt, Toby Jordan, Shana Kenyon, Chris Little, Danny Lyke, David Sabes, Mistic Silva, Chucky Speita and Laurie Tiedeman.

Also featured will be a boutique raffle of items made by the membership. Door prizes include a round trip for two to any destination on P.S.A.'s schedule.

COMMITTEE MEMBERS

Chairman for the event is Mrs. Ronald Bowron. Other members of the committee are Mrs. Thomas Alvernaz, Mrs. Walter Burke, Mrs. Daniel Eells, Mrs. Harold Erpenbeck, Mrs. Mike Haggard, Mrs. George Humphrey and Mrs. John Jordan. Manuel Aiello designed the program. Musical accompaniment will be provided by Mrs. William Alkire.

Proceeds will be used for maintaining this non-profit organization's school. For ticket information call 379-0467 or 378-3814.

FOR ME?---Marnie Haggard is full of shy feminine smiles as Brad Eells gets ready to present her with a bouquet of daisies in preparation for the "Daisy Parade" fashion show planned by the Campbell Parents' Nursery School on Saturday, March 24. Both children will be models in the event to be held at Rickey's Hyatt House in Palo Alto.

DEBBIE'S A WINNER---Debbie Wilson, Prospect High School drum major recently won honors in two competitions held in Northern California. On Saturday, February 24, she placed third in the Northern California State Festival held at Ygnacio High School in Concord. Last week, she took second in the Western United States Championships at Rio American High School in Sacramento.

FASHION SHOW PREPARATIONS --- Mrs. Frank Jacobson, Mrs. Homer Hyde, Mrs. Eldred Nelson and Mrs. Frank D. Meiss are hard at work putting finishing touches on decorations for the Country Woman's Club fashion show "Spring Do," to be held Monday, March 19, at the Congregational Church of Campbell. Tickets for the event may be obtained by calling Mrs. Dean Chamberlin, 378-4627 or Mrs. Peter Yerkovich, 378-3664.

Caritas have annual dinner

The Temple of Heart's Delight, Royal Order of Caritas, holds its first meeting of the new term Saturday, March 17, at Odd Fellows Hall, on East Campbell Avenue.

The new corps of officers will be headed by Mrs. Daisy Bodwell, Exalted Matron; Ray Livingston, Exalted Patron; Mrs. Amanda Honeywell, Associate Matron and Jack Clough, Associate Patron.

The annual Dutch dinner will be featured at this meeting with Mrs. Adah Plummer, chairman and Mrs. A. W. Laederich in charge of decorations.

The dinner will be served from 5:30 to 7:30 p.m. The public is welcome. Donation is $1.50.

NOTICE OF IMPROVEMENT DELL AVENUE—DIVISION STREET

LOCAL IMPROVEMENT DISTRICT NO. 17

NOTICE IS HEREBY GIVEN that on the 11th day of September, 1972, the City Council of the City of Campbell, California, adopted its Resolution of Intention No. 3373, as subsequently amended, wherein it did declare that in its opinion the public interest, convenience and necessity required, and that it was the intention of said Council to order the following acquisitions and improvements in and for said City, to wit:

(a) The acquisition of land necessary for the widening of the easterly one-half of Dell Avenue to a uniform width of 33 feet from a point 300 feet, more or less, southwesterly of Hacienda Road, running thence southwesterly 750 feet, more or less; for the widening of Dell Avenue to a uniform width of 66 feet from a point 1050 feet, more or less, southwesterly of Hacienda Road to Division Street and the improvement thereof and of Division Street from Dell Avenue to Winchester Boulevard by clearing, grubbing, grading and removal of existing trees, shrubs and structures and the construction therein of base, pavement, curbs, gutters, underground electrical and telephone services, surface and subsurface storm drainage facilities, where required, sanitary sewer mains, manholes with manhole frames and covers and laterals, and underground serviced street lighting facilities together with all appurtenances to any of above.

(b) The acquisition of capacity rights and a right of service and use in water mains, valves, tees, hydrants and services in Dell Avenue from a point 300 feet, more or less, southwesterly of Hacienda Road to Division Street and in Division Street from Dell Avenue to Winchester Boulevard.

(c) The acquisition of all lands and easements and the performing of all work auxiliary to any of the above and necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the Council of said City and on file for public inspection in the office of the City Clerk.

Notice is hereby given of the fact that in many cases said work and improvements will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

In cases where there is any disparity in level or size between the improvements proposed to be made herein and private property and where it is more economical to eliminate such disparity by work on said private property than by adjustment of the work on public property, it is hereby determined that it is in the public interest and more economical to do such work on private property to eliminate such disparity. In such cases, said work on private property shall, with the written consent of the owner of said property, be done and the actual cost thereof may be added to the proposed assessment of the lot on which said work is to be done.

Notice is hereby given that to the extent shown in the Engineer's Report it is the intention of the legislative body to enter into agreement with public agencies or public utilities, or both, relating to ownership, management and control of improvements subject to their jurisdiction.

Said contemplated acquisitions and improvements, in the opinion of said Council, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which district are the composite and consolidated area as more particularly shown on a map thereof on file in the office of the City Clerk, to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district.

The estimated cost of said project is $277,197.62, of which the City will contribute the estimated amount of $12,796.21, leaving an estimated amount of $264,401.41 to be assessed.

Notice is hereby given that it is the intention of the Council to consider adoption of an ordinance authorizing contributions by the City from any sources of revenue not otherwise prohibited by law, or any specified amount, portion or percentage of such revenues, for the purpose of acquisition or construction of improvements, the acquisition of interest in real property and the payment of expenses incidental thereto for the use and benefit of the assessment district, and to consider authorizing application of such revenues as a credit upon the assessment.

Notice is hereby given that except as hereafter otherwise provided, serial bonds to represent unpaid assessments and bear interest at the rate of not to exceed seven percent (7%) per annum, will be issued hereunder in the manner provided in the Improvement Bond Act of 1915 (Division 10 of the Streets and Highways Code), the last installment of which bonds shall mature not to exceed fourteen (14) years from the second day of July next succeeding ten months from their date.

Notice is further given that should there by publicly owned operative property within the assessment district, certificates or serial bonds to represent the unpaid assessments against publicly owned property in use in the performance of a public function and bear interest at the rate of not to exceed seven percent (7%) per annum, will be issued hereunder pursuant to Section 10206 of the Streets and Highways Code of the State of California and in the manner provided in Section 6467 or in Chapter 4.5, Part 5, Division 4 (commencing with Section 6468) of said Code, the Improvement Act of 1911, the last installment of which certificates or bonds shall mature not to exceed fourteen (14) years from the second day of June beginning with the fiscal year next following the date of the bonds.

The description of the acquisitions and improvements and the termini of the work contained in the Resolution of Intention, as amended, are general in nature. All items of work do not necessarily extend for the full length of the description thereof. The plans and profiles of the work, and maps and descriptions, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the City Clerk.

Notice is further given that the Director of Public Works pursuant to said Act and said Resolution of Intention, as amended, adopted pursuant thereto, did on the 26th day of February, 1973, file with the City Clerk of said City his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment, maps and descriptions, and said Council did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report shall stand as the report for the purposes of all subsequent proceedings had pursuant to said Resolution of Intention, as amended.

NOTICE IS FURTHER GIVEN that Monday, the 9th day of April, 1973, at the hour of 8:00 o'clock P.M. of said day, in the regular meeting place of said Council, Council Chambers, City Hall, Campbell, California, are the time and place appointed and fixed by said Council when and where it will consider and finally determine whether the public interest, convenience and necessity require said acquisitions and improvements, and when it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said acquisitions and improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, as amended, and when and where it will hear all protests in relation to said proposed acquisitions and improvements, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions, and that any person interested may file a written protest with the City Clerk at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention, as amended, and said report, including plans, profiles, specifications, estimate of costs, diagram and assessment, and maps and descriptions for a more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the City Clerk.
Dated: February 26, 1973.

LEGAL NOTICE

ADVERTISEMENT FOR BIDS

Notice is hereby given that the Governing Board of the WEST VALLEY JOINT COMMUNITY COLLEGE DISTRICT, 44 East Latimer Avenue, Campbell, California, hereby calls for sealed proposals for the furnishing of all labor, materials, transportation and services, including all utilities and related site work required for:

LIGHTING FIXTURES AND LANDSCAPING FRUITVALE AVENUE PARKING LOT NO. 1 WEST VALLEY COLLEGE, SARATOGA CAMPUS
Bid No. 16-7273

All proposals must be on a lump sum basis. Segregated proposals will not be accepted.

Bids will be received by the Governing Board of Trustees at 44 East Latimer Avenue, Campbell, California 95008, up to 2:30 p.m. on March 28, 1973. Proposals received after this time will be rejected and returned unopened.

Drawings and specifications may be examined at the Architect's offices at:

Higgins & Root, Associates
400 Blossom Hill Road
Los Gatos, California
and
Reid & Tarics Associates
1019 Market Street
San Francisco, California

Bonafide bidders may obtain drawings and specifications at the office of the Architects in accord with the Instructions to Bidders. Only one set of bidding documents will be released to each bidder. Extra sets may be secured for an additional deposit for each set requested.

The Contractor and all subcontractors under him must pay all laborers, workmen and mechanics on said work, or any part thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for all legal holiday and overtime work, for work of a similar nature in the locality in which the work is performed, to wit: said College District, which per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by the Board of Supervisors of the County of Santa Clara and adopted by the Governing Board of Trustees of the West Valley Community College District, and which said general prevailing rate of per diem wages as hereinabove referred to and adopted by each craft or type of workman or mechanic needed to execute this contract, is by reference incorporated herein and made a part hereof.

By submission of a proposal, the bidder agrees that, if awarded the contract, the bidder has read the Affirmative Action Program, which is included as part of the contract documents, and will comply with all requirements stated therein.

Each Bid Proposal shall be accompanied by a Bid Bond, duly executed by the bidder as principal and corporation authorized to do business in the State of California as surety naming the West Valley Joint Community College District as obligee, or by a cashier's check or certified check, certified without qualification, drawn on a solvent bank of the State of California, in the amount of 10% of the total bid submitted and made payable to the West Valley Joint Community College District.

Should the party or parties to whom the contract should be awarded fail to enter into the contract after the award, and to file the required bonds, the proceeds of said certified or cashier's check or the amount paid by the bidder or his surety pursuant to the terms of said Bid Bond, either voluntarily or pursuant to the judgment rendered by the court in any action brought thereon, will be retained by said College District as agreed, and liquidated damages.

Time shall be the essence of this agreement. Should said work not be completed within the time stipulated on the Bid Proposal, there will be deducted from the final payment the sum of One Hundred and no/100 ($100.00) Dollars per day as liquidated damages, but not as a penalty, for each day's delay after the expiration of such period until the final physical completion of the work and its delivery to the Owner.

The Board reserves the right to reject any or all bids, or any or all items or alternate, or propositions of such bids, or to waive all irregularities.

James P. Hardy
Agent of the Governing Board of Trustees of West Valley Joint Community College District

LEGAL NOTICE

NOTICE INVITING SEALED PROPOSALS OR BIDS DELL AVENUE — DIVISION STREET LOCAL IMPROVEMENT DISTRICT NO. 17

Pursuant to the Municipal Improvement Act of 1913 and the resolution directing this notice adopted on February 26, 1973 by the City Council of the City of Campbell, said Council invites sealed proposals or bids for the grading, clearing, grubbing, removal of existing trees, shrubs and structures, construction of base, pavement, curbs, gutters, storm drainage facilities, sanitary sewer mains, manholes with frames, covers and laterals, underground street lighting facilities, and all appurtenances in said City, as more particularly described in Resolution of Intention No. 3373 adopted by said Council on September 11, 1972, as subsequently amended, which resolutions are on file in the office of the City Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Council on February 26, 1973.

Payments will be made in cash by said City to the contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the Director of Public Works submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the contractor. However, notice is given that a period of 30 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of bonds issued upon the unpaid assessments.

Notice is hereby given that on November 13, 1972, the Council adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which is on file in the office of the City Clerk and available to any interested party upon request and is made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by cash, cashier's or certified check payable to the order of the City Clerk, amounting to ten percent (10%) of the bid, or by a bond in said amount and payable to said Clerk signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. The amount so posted shall be forfeited to said City in Case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

The City of Campbell, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8), issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color or national origin.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the City Clerk of said City on or before 2:00 o'clock P.M. of the 3rd day of April, 1973, City Hall, Campbell, California, said time being at least fourteen days from the time of first publication of this notice. Bids will be publicly opened, examined and declared on said day and hour, and referred to and considered by the Council at its meeting at 8:00 o'clock P.M. on April 9, 1973.

A copy of the plans and specifications may be obtained from the office of the City Engineer, 161 Grant Street, Campbell, California 95008, upon deposit therefor of $15.00 per set, which will be refunded if said plans and specifications are returned within ten days. Checks shall be made payable to the "City of Campbell" and may be mailed to the City Engineer at said address.

Dated: February 26, 1973.
DOROTHY TREVETHAN
City Clerk of the City of Campbell

LEGAL NOTICE

S.D. No. 5
Project: Stevens Crk. Blvd./U.E.
Parcel No. 2331-1 EX

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER REQUIRED FOR HIGHWAY PURPOSES

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Seven Thousand Eight Hundred and no/100 Dollars ($7,800.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Co., 300 South First Street, San Jose, escrow number 156255. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Seven Hundred Eighty and no/100 Dollars ($780.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent (10%) of the minimum price specified in this resolution. No bids shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or
(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether or record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.
estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on May 9, 1973 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., May 9, 1973, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on Feb. 27, 1973, by the following vote:

AYES: Supervisors: Mehrkens, Sanchez, Calvo, Cortese, McCorquodale
NOES: Supervisors: None
ABSENT: Supervisors: None
R. H. MEHRKENS
Chairman, Board of Supervisors
ATTEST: DONALD M. RAINS,
Clerk, Board of Supervisors
Approved as to Form:

MECHANICAL TECHNIQUES--Bill Franco, auto mechanic instructor at the San Jose Vocational School, explains mechanical techniques to Westmont students, from left to right, Jerry Wohlzemuth, Ron Peoples, Greg Johnson.

BEAUTY IS AS---Doris Pierce of the Pierce Beauty College of Fremont demonstrated hair styling techniques to Westmont students, left to right, Diane Harhay, Shelley Ganon, Sue Rossler and Denna Cook. Seated is Peggy Maltby.

Students explore career fields at Westmont

Last Wednesday Westmont students learned more about 44 different career fields as the high school presented their annual "Careers Day."

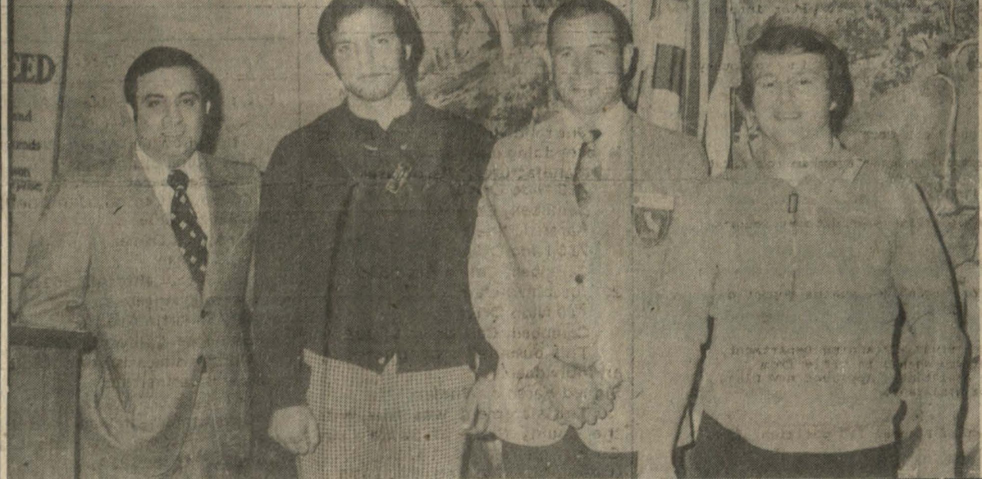
Beginning with a luncheon for the 57 speakers at 11 a.m. the special program continued during the last three periods of the day, from 12:15 to 2:30 p.m.

Some of the fields presented were veterinary medicine, law, the performing arts, photography, speech therapy and law enforcement.

Third annual "Careers Day," the Westmont program is the largest in the district, according to chairman Shirley Maltby and co-chairman Edith Harhay.

Superintendent Dr. N. R. Montesano, of the Campbell Union High School District, was present at the luncheon and throughout the afternoon. Other invited guests included the five member Board of Trustees of the school district, and Lynn Reichhold, president of the Sixth District PTSA.

A WOOLEY SUBJECT---Veterinarian Dr. Gallant, discusses animal care with Westmont students Rick Barton, Sylvia Bryant and Toni Farwell.



CAMPBELL JAYCEE WAS SPEAKER---Among speakers at the annual JayCees membership dinner-dance held recently at the San Juan Bautista VFW hall was, far left, Nozer Haladwala of Campbell, vice-president of the California JayCees. Also in attendance at the event were, left to right, Al Goularte, Hollister JayCees vice-president and program chairman, Gary Stemper, national director of the California JayCees, and Jim Kennedy, Hollister JayCees president.

DARTING AROUND

with Tom Carroll

Many sports have grown because of exposure on television but we have a sport here in the Bay Area that has grown in fantastic proportions without the aid of TV. When this column started in the Fall of 1970 it was strictly about the game of darts. We changed that to a general interest sports and entertainment column last fall. But look what has happened to darts.

That first year there were around 40 teams in the Bay Area. Last spring the Northern California Darts Assn. had 85 teams. Now the NCDA has 115 teams and about 1100 members. This does not include the San Francisco Assn. which is a separate group.

When you add these two groups to the Southern California Assn. in Los Angeles and the Tri County Assn. in Orange-Riverside-San Bernardino counties, then toss in the Central Coast Assn. in Monterey, the number of active dart players in the state is fast approaching the 4,000 mark.

CAMPBELL TEAMS

The Campbell area also has been a factor in the increase in teams. The Or What Ever at 1781 Winchester Blvd. sponsors the team that won last season's NCDA "B" Division Championship. They defeated the Bel Air Club from Concord in a 7-4 battle a couple of weeks ago to take the title.

This season the Or What Ever is sponsoring six teams. Three pubs in the area have three each; Lancashire Lad and Scarlet La Rue's in Los Gatos and Neighborhood Tavern in San Jose. Most pubs sponsor two teams; Gaslighter Theater and Iron Apple in downtown Campbell, Winchester Street Congregation at Winchester and Payne, Nite Owl on Bascom. Banbury Clock in the San Jose Inn, Ann's Fish and Chips in Sunnyvale and the Country Store in Mountain View.

Four houses have one team each. They are the Garret in the PruneYard, Black Watch in Los Gatos, Gloucester House on Saratoga Avenue and the Diamond Wheel on Lincoln Avenue. That adds up to a total of 33 teams from 15 sponsors in the area. Eleven of the teams and four of the sponsors are inside the city limits of Campbell.

When this column started two and a half years ago, there were only three teams in Campbell. What has caused this tremendous increase in the popularity of the sport? My guess is that it is one of the few sports that can be played by both sexes and combines both individual and team competition. It is also a good fellowship type sport with many variations that can be played. These variation games help to improve your skill in the basic game. Like bowling, it makes for a good night out.

A RECORD ?

This season four Campbell brothers are playing ball in the Campbell Little League....at the same time. They are Robert, 12; Willy, 11, Brad, 10, and Dennis, 8. Sons of Mr. and Mrs. Dan Watt.

Can you top this record?

Speaking OF taxes

by Pat Safford, vice president of the Greater Bay Area chapter of the Assn. of Enrolled Agents

Readers' comments and questions are welcomed. Those of general interest will be covered in "Speaking of Taxes." Address your letters to: **Speaking of Taxes, P. O. Box 158, Campbell, Ca. 95008**

Q—TWO YEARS AGO MY HOME WAS BROKEN INTO AND I LOST OVER $2,000 WORTH OF STEREO EQUIPMENT. I JUST LEARNED THAT I COULD HAVE TAKEN THIS AS A LOSS ON MY TAXES FOR THAT YEAR. IS IT TOO LATE NOW?

A—No. Within three years from the date the return was filed or within two years from the time the tax was paid (whichever is later), you can file an amended return. While you may use a form 843 or a regular 1040 for filing, it is best to use the federal form 1040X (specially designed for the purpose). For state amended returns use the regular form 540 and mark "AMENDED" across the upper portion.

This form should be used when "correcting" your tax for any prior year (within the statute of limitations.)

In the above case be sure to obtain a copy of the police report and also list the way you determined the value of the stolen goods. Your casualty loss should be determined by the fair market value (at the time of the burglary) OR the cost of the property stolen, LESS $100, for each casualty. (In the above case a burglary would be considered a single casualty with $100 deducted from the $2,000 loss.)

CHECK YOUR S.S. NUMBER

When you're filling out your tax return always check to see that your employer has your correct social security number on the W-2. Ninety-nine times out of 100 it is correct but every once in a while it will be one number off. This means that another individual (probably someone in Tallahassee, Florida) is getting the credits on your income. To make sure you get the proper credit for wages, social security taxes withheld and income taxes withheld, your employer will have to send a corrected W-2 statement in (preferably BEFORE you file your return).

GROUP APPEARS

Christian Center of Campbell will feature a special presentation of the controversial, "Jews for Jesus" group, Sunday, March 18, at 8 p.m.

The public is invited to the evening presentation at the Orchard City Grange Hall, 109 N. First St. There is no admission charge.

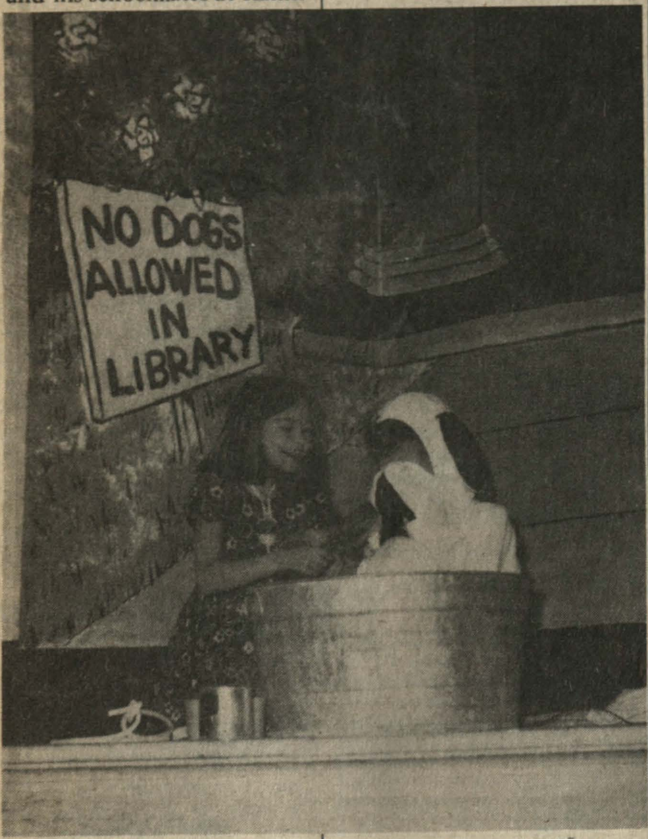
DEJECTED---Charlie Brown, played by Matt Johnson, isn't too happy that his dog, Snoopy, has left home. Matt and his schoolmates at Hamilton School presented the musical "Snoopy Come Home" for parents and friends Tuesday evening.



NO DOGS ALLOWED IN LIBRARY

FAGGHH! A BATH!--Snoopy, in the person of Bryant Keefe, covers his muzzle when Peggy Thomson, substituting for Cheryl Anderson, is given a bath by "Clara" in the Hamilton School production of "Snoopy Come Home," presented to parents and friends of the school last evening. Students in grades three through six participated in the musical.

Passing the Buc

By Lynne Hermle

The place: Alpine Valley.

The time: approximately 11 p.m. on January 19.

The scene: skiers of all sizes scramble to get out of the way as a snow covered bundle (apparently attached to a couple of wooden planks) rolls awkwardly down the slope. What could it be? A giant snow bunny with wooden ears?

But no. As the strange looking bundle rolled to a slow stop the answer could be heard echoing through the ice-covered mountains of Alpine: "It's Mrs. Schyner!" Yes, and so it was! Campbell High's beloved P. E. teacher, Tina Schnyer, friend to female football freaks and basketball bouncers all.

"I broke two bones in my leg, both the tibia and the fibulla," disclosed Mrs. Schnyer, who can now be seen hobbling unsteadily on her crutches instead of gracefully flitting on the tennis courts.

"At first I was mad," she continued. "I figured I couldn't ski for the rest of the day and it was only our seventh warm-up run. I thought it was a bad sprain, probably because I was too frustrated to realize it was broken."

Mrs. Schnyer was carried down the slope by ski patrolmen (one of whom, incidentally, turned out to be a Camden track coach) to the first aid station, where she was informed that the bones were broken and subsequently put in a high cast. It seems that she will have to remain in it for up to four months. During that time she will be unable to put any weight at all on her leg.

"I'm really dependent on people to do things for me," announced Mrs. Schnyer, while glaring angrily at her crutches. "Unfortunately I'm unable to drive and so I had to give up my yoga, fencing and jewelry casting classes. And I was really upset at first because I thought my husband wouldn't let me ski anymore. Well, I'm going to miss the ski sales this year but you can be sure I'll be up on the slopes next year!"

"CIVILIZATION" COMES

The 1974 class of Campbell seniors will be offered a new semester course to be taken along with U. S. Government next year. The course will be entitled "Art and Civilization" and will be taught by Mr. Edmonds and Mr. Capitolo.

"We're not going to emphasize details," disclosed Mr. Capitolo, Campbell art teacher. "We want it to be an exciting, stimulating course that will last with the student after graduation."

"Art and Civilization" will cover the world's major civilizations from the year 3,000 B.C. to the present time. The past will be divided into nine major time periods, with Mr. Edmonds covering the political, economic and social aspects of society and Mr. Capitolo presenting the cultural side. The class will consist of about 56 students, but they will not always meet together.

"We plan to be flexible about it," Mr. Capitolo continued, "I plan to present the artistic side of the civilizations with slides, films and guest speakers."

"Mr. Capitolo and I think that art can be used as a tool for teaching history," announced Mr. Edmonds, history teacher and coach. "We've been discussing the idea for such a class for a few years now, and I believe students might really find the course interesting."

PLANARIAN PROJECT PROVES PROSPEROUS

"Mine grew two heads!" "So, mine grew two heads and a tail!" These slightly gruesome comments refer to a recent biology experiment taking place in Mr. Alleman and Mr. Hailer's biology classes. The experiment (or lab, as they are otherwise known) consists of cutting small flatworms called planarians into different sections and then observing any part replacement that might take place.

"Planarians are rather simple little worms that have the ability to regenerate (or replace) missing parts," disclosed Harvey Hailer, biology teacher. "This year's results are a lot better than last year's. About 50% of the worms seem to be recovering successfully. Actually, it's possible to induce a planarian to regenerate up to 32 heads on one body."

Any problem with squeamish people? "No, except maybe a couple of girls in my sixth period class who got carried away in their excitement," he commented, while fixing me with a baleful stare. Now I wonder who that could have been. Hmmm.

On the agenda soon for those eager Campbell biology students: bloodtyping, the problems of hitch-hiker's thumb, and "the chances of getting a poker hand with four aces."

CALENDAR OF EVENTS

THURSDAY, March 15: Varsity baseball with Prospect here, F/S baseball there. Speaking of baseballs, the Campbell varsity team has started off the non-league season with a win, a loss, and a tie. However, the team has really looked great so far and maybe, just maybe, Campbell will have a winner at last.

FRIDAY, March 16: Swim meet with Prospect there at 3:30, track again with Prospect here at the same time.

TUESDAY, MARCH 20: What should be an exciting varsity baseball game with Camden there at 3:30, F/S is here at 3:30.

I guess all you sports haters lose out this week.

IN CLOSING

The W.D.D.F.Y. (Whoop-de-doo-for-you!) of the week goes to all those energetic enough to walk in the March of Dimes annual Walk-a-thon. And the motto for this week, to those it may concern is: It is better to BE loved and lost than to have never been...

Symphony Orchestra appears in West Valley College concert

West Valley Symphony Orchestra will appear in concert Tuesday, March 20 at 8 p.m. in the West Valley College Campbell campus auditorium. The performance is open to the public without charge.

Under the direction of S. Ross Bergantz, the orchestra will open the evening's performance with Handel's "Concerto Grosso in D Major," Opus 6, No. 5.

Patricia O'Gara will be featured soloist during the second selection, "The Concerto for Horn and Orchestra" by Reingold Gliere. Miss O'Gara is a former student of Wendell Hoss, was a scholarship student at the Music Academy of the West, assistant first horn with the San Diego Symphony Orchestra, and received her B.A. and M.A. degrees at San Jose State University. She is currently a member of the San Jose Symphony Orchestra.

This marks Maestro Bergantz's second season with the orchestra. He is currently coordinator of music education for the San Jose Unified School District. He holds a master of arts degree in conducting.

The Campbell campus auditorium is located on the corner of Winchester Blvd. and Campbell Avenue.

SPITFIRE
Burgers STEAKS-RIBS

POPULATION EXPLOSION--Campbell's population swelled by more than 25,000 last Sunday as March of Dimes Walk-a-thon participants passed through on the 20-mile walk.

A MOB---Hundreds of young people, and a few older ones, stop to rest at the 12½ mile checkpoint located at Campbell Park. Over 25,000 took part in the March of Dimes Walk-a-thon which wound its way thorugh Campbell, Santa Clara and San Jose.

FOOT WEARY---Vans staffed by the local podiatry society were set up along the Walk-a-thon route to treat walkers like the one pictured above, at the Hamilton Plaza checkpoint.

Parents don aprons here

Campbell Little League parents and coaches will put on chefs hats and aprons on Tuesday, March 20 as they staff a local pizza parlor to help raise funds for the league's coffers.

Straw Hat Pizza, 1400 W. Campbell Ave., is donating 25 percent of the gross sales from 5 to 10 p.m. on March 20, to the Little League. The only proviso is that Little League personnel must do all the cooking, serving and dishwashing.

GARDEN CLUB

Dig 'n' Dream Garden Club will meet on Wednesday, March 21, at 10 a.m., at the home of Mrs. J. J. Williams, 987 S. Genevieve Lane, San Jose.

Program will be given by Lloyd N. Case, former president of Audubon Society, who will show slides of "Song Birds in Our Garden." Luncheon will follow, with Mrs. F. Carlozzi acting as co-hostess.

BOBBY SOX MEET

Girls will receive their uniforms and meet their teammates on Minor Parent's Night, Wednesday, March 21, 7:30 p.m. at Baker School.

Major Parent's Night will be held Thursday, March 22, at Castro Junior High at 7:30 p.m.

Student panel appears at Camden High

Four foreign exchange students will share their experiences and compare our educational program with that of their native countries at the Wednesday, March 14, meeting of the Camden High School PTA.

Meeting time is 7:30 p.m. in the school cafetorium.

Margaret Guy, chairman of the language department at Camden, will serve as moderator of the panel discussion which will include: Corinne Tsakiridou from Greece, Monica De Boorder from Holland, Egle Tamburrino from Chile and Jorn Neilsen from Denmark.

In addition, Laurie Andro, recent graduate of Blackford High School, and Camden student Maureen Biscomer will appear with the panel. Miss Andro visited Germany last summer while Miss Biscomer spent the past summer in Holland.

Presentation of the annual Honorary Life Membership award will also be made that evening.
